

Week 1 Homework — Tense Tune-Up

Isaac · G9 Term 1 · Do it yourself at home — bring it to next week's session

 ~25 min

20 marks

Focus: have + V3 · past perfect · signal words

Notes: your Week 1 Revision Notes

 **Golden Rule for this whole sheet:** see **have / has / had / will have** → the next verb **MUST** be **V3** (written ✓, took ✗). 見到 **have** 家族，後面即刻 **V3** !

ZONE 1 · True or False? — Spot the Tense Crime

4 marks

~4 min

The highlighted verb is either PERFECT  or a CRIME . Circle T (true = correct) or F (false = wrong). **Warning: some sentences are correct on purpose!** 圈 F 之前問自己：我講唔講得出佢錯咩？講唔出 → 佢係 T。

1. She has **wrote** her name on the board. T ☐ F ☐

2. By the time we arrived, the film **had already started**. T ☐ F ☐

3. He **was reading** while his brother **was cooking**. T ☐ F ☐

4. I **have been living** in Hong Kong since 2012. T ☐ F ☐

ZONE 2A · Signal Word Alarm

5 marks

~4 min

Each signal word points to ONE tense. Write the tense name + the verb form. First one is done for you.

1. **yesterday** → *simple past* → V2/V-ed ✓ (example)

2. **by the time** (past story) → _____ (tense) → _____ (form)

3. **while** → _____ (tense) → _____ (form)

4. **already / yet / just** (until now) → _____ (tense) → _____ (form)

5. **all day** (still doing it) → _____ (tense) → _____ (form)

ZONE 2B · The Typhoon Morning — gap story

6 marks

~7 min

Fill each blank with the correct tense. Watch the signal words — they are alarms! 

Last Tuesday, Charles **(1)** _____ (wake up) at 5:30 a.m. and checked his phone for the typhoon signal.

While he **(2)** _____ (eat) breakfast, his mother shouted, "Signal no. 8! No school!"

Charles was amazed — he **(3)** _____ (never / expect) a day off.

By the time his friend called at 9 a.m., Charles **(4)** already _____ (finish) two levels of his video game.

He **(5)** _____ (play) since 7 a.m., so his eyes were tired.

Tomorrow, he **(6)** _____ (complete) all his homework before his mother comes home. (signal: by then → future!)

 Hint for (5): "since 7 a.m. + still going" = which column of the grid? For (6): "before his mother comes home" = future perfect — **will have + V3**.

ZONE 3A · Sentence Doctor — Fix YOUR OWN Past Mistakes

3 marks

~5 min

These are real sentences from your old worksheets. Rewrite each one correctly in the box.

1. ✗ "I have **wrote** three essays this month." (Aug 15)

2. ✗ "If they **knew** the truth, they would have acted differently." (June 15 — 3rd conditional if-clause)

3. ✗ "When I opened my handbag, I found that I **had forget** my credit card." (booklet p.10 style — your June family error)

 ZONE 3B · Produce It Yourself

2 marks

~6 min

Write TWO sentences. Use the exact target word AND the exact tense. 一定要用題目字，唔好換第二個字！

1. Use **had + V3 AND the word **fortune** (n) — luck/wealth.**

Frame you may borrow: "By the time..., he had..."

2. Use **have/has + V3 AND the word **extraordinary** (adj) — amazing, remarkable. (G9 Unit 2 字 — 早人一步學！)**

Frame you may borrow: "The scientist has just..."

 SELF-CHECK — before you put your pen down, ask yourself:

- ☐ Did I scan every blank: is there **have / has / had** nearby? → then my verb must be **V3**.
- ☐ Two past events in one sentence? → the **earlier** one got **had + V3**.
- ☐ In Zone 1, before I circled F — could I **NAME** the error? If not, I circled T.
- ☐ My Zone 3B sentence actually uses the word **fortune** (not a different word).
- ☐ Every sentence starts with a **CAPITAL** letter and ends with full stop. (你嘅細階開頭習慣！)

🔑 ANSWER KEY — check AFTER you finish (be honest!)

Zone 1 (4 marks)

Q	Answer	Why
1	F	has + wrote → must be V3: has written . 呢個係你 8月15號個錯！
2	T	Correct — by the time + had already started. Two past events, earlier one = had + V3.
3	T	Correct — two parallel past continuous actions with <i>while</i> .
4	T	Correct — have been living + since 2012 (started past, still true now).

⚠️ If you circled F for 2, 3 or 4 — that's over-flagging! T is a real answer, not a trap. Only circle F when you can NAME the error.

Zone 2A (5 marks — ½ mark tense, ½ mark form)

Q	Tense	Form
2	past perfect	had + V3
3	past continuous	was/were + -ing
4	present perfect	have/has + V3
5	present perfect continuous	have/has been + -ing

Zone 2B (6 marks)

Q	Answer	Signal that decided it
1	woke up	<i>Last Tuesday</i> → simple past (V2)
2	was eating	<i>While</i> → past continuous
3	had never expected	before the amazement (later past event) → past perfect
4	had already finished	<i>By the time</i> + <i>already</i> → past perfect
5	had been playing	<i>since 7 a.m.</i> + duration up to a past point → past perfect continuous
6	will have completed	<i>before his mother comes home</i> (future reference point) → future perfect

Zone 3A (3 marks)

Q	Model answer
1	"I have written three essays this month."
2	"If they had known the truth, they would have acted differently." (3rd conditional: if + had + V3 — 你 8月已經學識，呢個係溫故知新！)
3	"...I found that I had forgotten my credit card." (<i>forget</i> → <i>forgot</i> → <i>forgotten</i> , All-Different family)

Zone 3B (2 marks)

Q	Model answer
1	"By the time he turned 30, he had made a huge fortune from his restaurants." (<i>had</i> + V3 ✓ + fortune 做 noun ✓)
2	"The scientist has just discovered something extraordinary in the deep sea." (<i>has</i> + V3 ✓ + extraordinary 做 adj ✓)

Each mark needs BOTH the correct tense AND the exact target word used with the right part of speech + capital letter + full stop.

📊 My score this week: _____ / 20 Target: ≥ 16/20. August average was 82% — keep the streak! ★

Highlight any question you got wrong and bring it to the next session. 錯咗唔緊要，最緊要帶住條問題嚟 — 我哋逐題拆。
