

🎬 W3 片場 Credit Roll — Class Worksheet

Student: Isaac Lee (8E) · W3 Set A · 主題: Passive — Tense-Carry 紀律 + 連續被動 · 堂上 25 min · 總分 20

🟡 黃金法則 (每題都係新一局 — 唔好 autopilot !)

① **doer-test**: 主語自己做嘢 → 主動; 被做個 → 被動 ② 被動 = **be + V3**, 而 tense 全部住喺 **be** 度 — 轉聲時 **tense 要跟 be 一齊搬** ! ③ 冇受詞 = 冇得變 (happen / arrive / rise...) ④ 講唔出錯處 = 唔好亂改亂 flag 🚩

Part A · 紅綠燈 T/F 4 分 (4×1)

Circle T / F。提示：講唔出錯處 = T。

- The scene **is filmed** at the studio every Monday. (T) (F)
- The movie **will shown** at the festival next month. (T) (F)
- The actors **is being paid** by the studio today. (T) (F)
- The trailer **has been watched** a million times online. (T) (F)

Part B · 轉向衝刺 8 分 (4×2)

1. →被動 The committee chooses the winner every year.

2. →主動 The trophies **were being polished** when I arrived.

3. →被動 They have cancelled the opening ceremony.

4. →主動 The new studio **is being built** in Kowloon.

Part C · 電影節故事 6 分 (6×1)

Last month, the Hong Kong Film Festival _____ (1. hold) at the Harbour Centre. Over forty films _____ (2. show) during the week. On opening night, the stars _____ (3. photograph) by dozens of cameras while they walked down the red carpet. The best actor award _____ (4. give) to Mr Chan, who thanked his family in a tearful speech. Next year, the festival _____ (5. move) to a bigger hall, so it _____ (6. can invite) more fans.

💡 每格先問：主語係 doer 定 receiver? 再問：邊個 tense?

Part D · 修復你嘅舊錯 2 分 (2×1)

下面兩句係你 2026 年真實寫過嘅錯 (Master Log 認得你㗎 😏)。每句 1 個錯 — 搵出嚟，喺隔離寫返啱：

1. **The meals was prepared** by the staff every day. (你自己 2026-08-15 嘅錯)

2. Isaac **has wrote** three pages of the script already. (8 月寫過 has + wrote)

✅ Self-Check (交貨前 60 秒)

- ☐ 每題都有做 doer-test (邊個做嘢? 邊個被做?) ☐ 轉聲時 be 冇多冇漏 ☐ tense 冇冇跟 be 一齊搬?
☐ V3 逐個核對 (written / shown / built / held...) ☐ 句首大寫 · 句尾 full stop ☐ T/F 題講唔出錯處 = T

🔑 Answer Key — Set A Class WS

A1	1. T — 現在簡單被動 is + V3 㗎。 · 2. F — 缺 be : will be shown (be 一個都唔可以少) 。 · 3. F — SVA : actors → are being paid 。 · 4. T — perfect 被動 has been + V3 㗎，唔使改。
A2-1	The winner is chosen by the committee every year. — 現在簡單 : is + V3 ; tense 不變照搬。
A2-2	(Someone / The staff) was/were polishing the trophies when I arrived. — ⚠️ switch-point : were being polished → 主動 = 過去進行 were polishing , tense 跟 be 搬，唔係 were polished 。
A2-3	The opening ceremony has been cancelled (by them). — 現在完成被動 : has been + V3 。
A2-4	(They / A construction company) are building the new studio in Kowloon. — is being built → 主動 = 現在進行 are building 。
A3	1 was held · 2 were shown · 3 were being photographed ★連續被動 milestone · 4 was given · 5 will be moved · 6 can invite — festival 係 doer → 主動 (邊界檢查) 。
A4	1 The meals were prepared... (SVA , 2026-08-15 舊錯) 。 2 Isaac has written ... (have/has 後面要 V3) 。

✦ 比對時留意 switch-point (A2-1→2、A2-3→4) : 轉方向後第一題嘅錯 = autopilot 證據，記入 Master Log 。
